Dear Honorable Members:

I write to you today to respectfully request that the Pawtucket City Council refer to its Property Committee the matter of a purchase and sale agreement for property at 94 Moshassuck Street for further discussion and consideration. As you'll recall, the Council unanimously approved a purchase and sale agreement for this entire property over a year ago. The Administration would like to have additional discussion with the Council regarding this matter.

Thank you,

Dylan M. Zelazo
